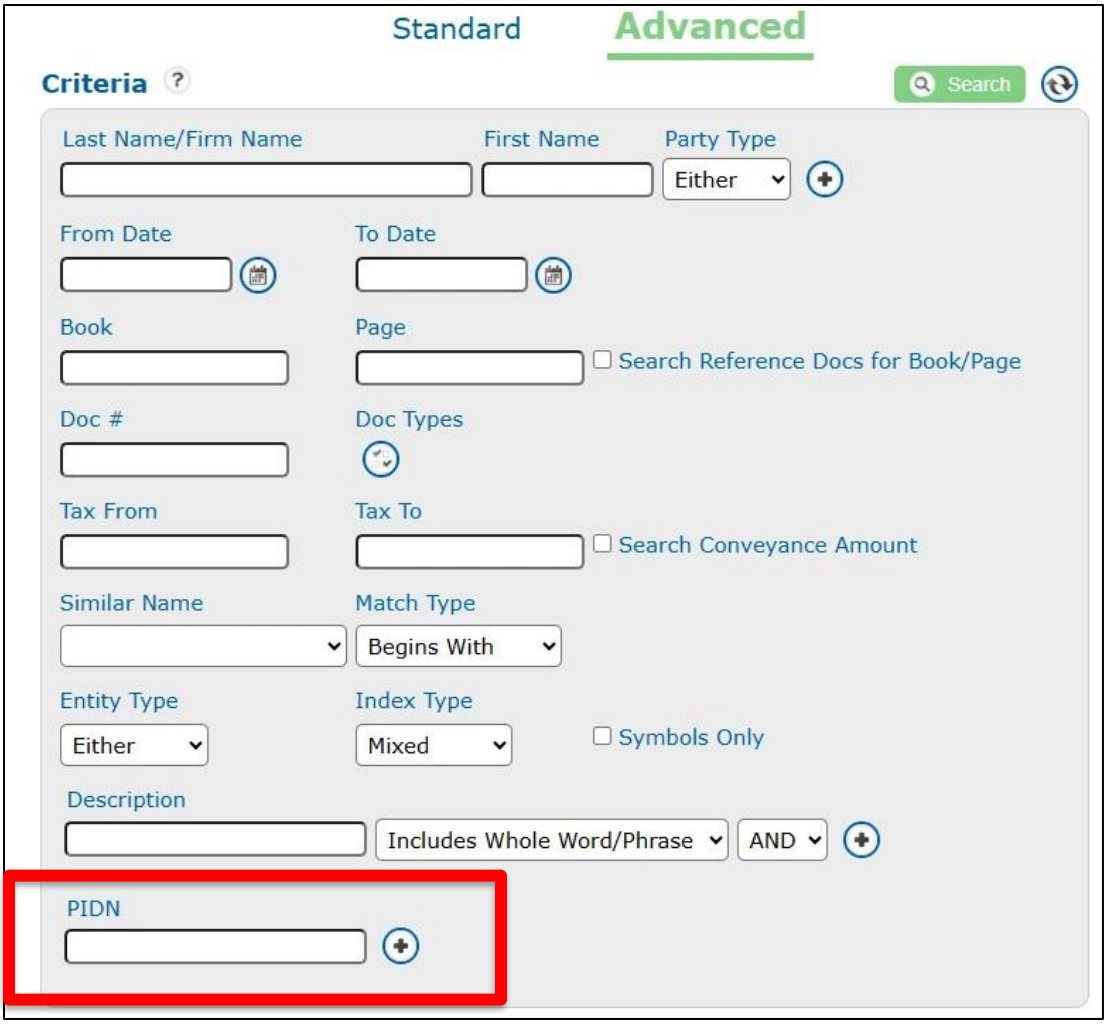
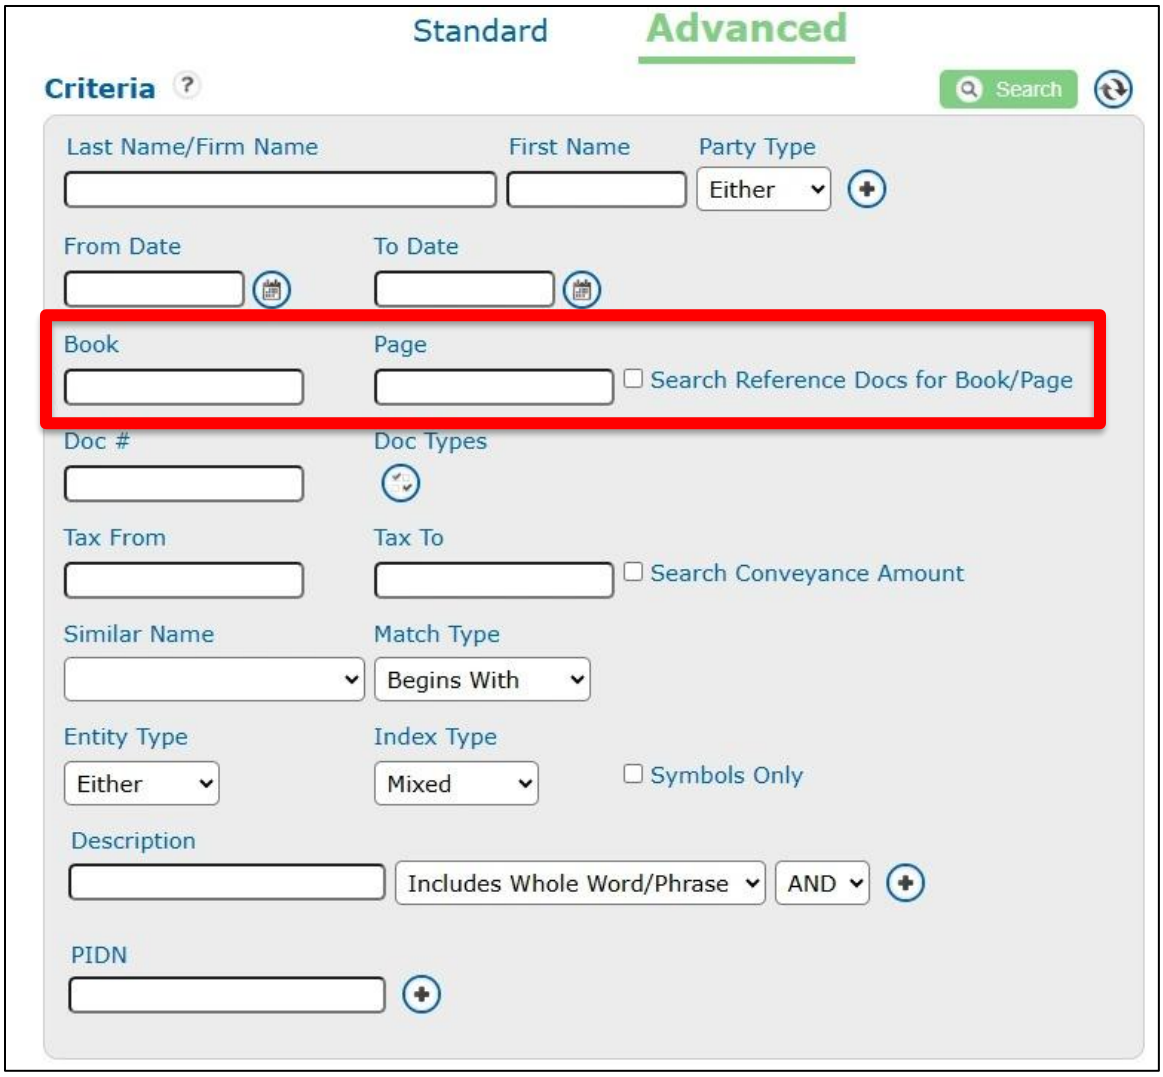
Search for Documents with Parcel ID Number (PIDN) or Book & Page

DISCLAIMER: Due to the legal and binding implications of a title search on real estate, the staff in the Kenton County Clerk's office will not be able to conduct a search for you. They may assist in helping you use the computer so that you may search for information on your own.

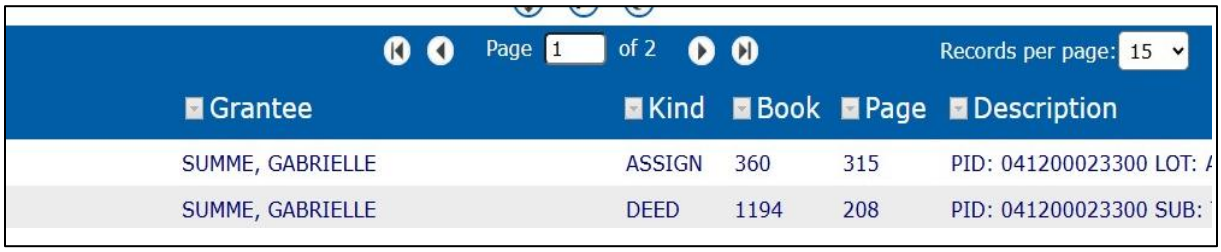
1. If you have the Parcel ID Number (PIDN) or book and page number of the document, go to the computer desktop and find the ICON for KENTON RECORDS. There is a Standard Search or Advanced Search. Best practice is to use the ADVANCED SEARCH
2. If you are using the PIDN, enter the number in the area marked below. Click on the search located in the top right-hand corner.



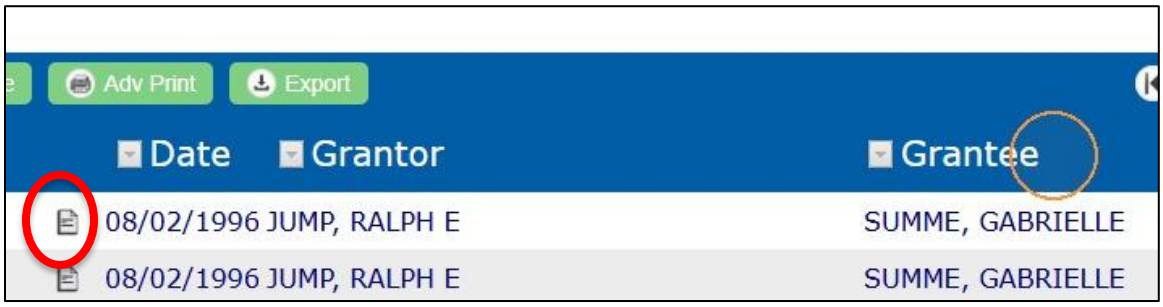
3. If you are using the Book and Page number, enter that information in the area marked below. Click on the search located in the top right-hand corner



4. Since the can be many books with the same book number and page, review the list for the document you are searching.



5. Once you find the document, click on the DOCUMENT ICON to open the image



6. By using the ADVANCED SEARCH, you can use the following options to better organize your search.

7. **SEARCH OPTION FOR OLDER DOCUMENTS PRIOR TO 1991**
   All documents prior to 1991 can be searched online by you must have the book and page number. If you don't have this information, then you may need to visit the record room to look at the paper index system.

8. **DOCUMENTS PRIOR TO 1991 ARE CONSIDERED NON-INDEXED DOCUMENTS:**
   To search for non-indexed deeds, click on VIEW IMAGES tab at the top of the page

9. Once in the search area, use the drop-down menu to choose the BOOK TYPE, then enter the Book and Page Number.

Note: If looking for a plat:

- PLATS: 1/2/2026, add "2" for Book. The Page number is the Plat number
- PLATS: 1/1/2021 to 1/1/2026 add "1" for Book. The Page number is the Plat number
- PLATS: prior to 1/1/2021, Type COV or IND for Book. For IND, there is the letter "A", "B", or "Z" before the plat number (also called a slide number)
